

SHARP DEVICES EUROPE

Note: This PCN is issued by Sharp Devices Europe, other SHARP business units might have different schedules.

Product Change Notification

NOTIFICATION NO.	ISSUE DATE	LAST BUY DATE	LAST SHIP DATE
EU-PCN-20170113-01	13.01.2017	15.02.2017	30.09.2017

This is to advise you that the following products will be changed:

Product ID (Description):	Isolation Devices (PC Series and PR Series) - please see attached list for affected part numbers.
----------------------------------	--------------------------------------------------------------------------------------------------------------------

Description of Change:	The products mentioned in the attachments will be subject to a Factory Change: <u>Current factory:</u> SUN-S Electronic Technology (KUNSHAN) Co., Ltd (China) <u>New factory:</u> KYUSHU DENSHI Co., Ltd (Japan)
-------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Effect of Change:	Sharp will move production of the Isolation Devices (as attached) to new factories for production efficiency reasons. Replacement parts will have a new product name. Comparison data of replacement parts is available. A Last Time Buy opportunity is offered for the original part model numbers; orders must be placed by Last Time Buy date as noted above and will be shipped out by Last Time Ship date latest.
--------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Note:	We recommend early qualification of replacement product as there is limited production capacity of the current device. Samples are available while specification will be available later. Please note the comparison data for verification of compatibility.
--------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Suggested Alternative Parts and/or Manufactures:

CHANGED SHARP PART NO.	SUCCESSOR / SUGGESTED ALTERNATE PART NO.	ALTERNATE MANUFACTURER
see attachment	see attachment	---
