

ESD Grounding Systems / ESD Table and Floor Mats

T7114 = Product group; Product group discount T 71 1_

ESD Grounding Systems Series: EEB_

Features

- Meets the requirements of the German Institute for Precision and Electrical Engineering (BGFE)
- For economical and easy ESD grounding
- Built-in 1M Ω protective resistor

Application

- EEB110L Grounding System for Socket Connection, Smooth Grounding Cord 1,4m with Snap Fastener 10,3mm
- EEB110SK Grounding System for Socket Connection, Spiral Cord 2,4m with Snap Fastener 10,3mm
- EEB310D Grounding System for Socket Connection with Three Snap Fasteners 10,3mm

Approvals

 BG-certified

Terms of Delivery

Minimum order quantity: 1 PKU = 1 piece

Manufacturer: Various

Part Nr.	Part Description
EEB110L	E-Plug 1,4m Cord D=10,3
EEB110SK	E-Plug 2,4m Spiral Cord D=10,3
EEB310D	E-Plug 3xD=10,3

ESD Table and Floor Mats Series: ETM_, EBM_

Features

- Meets the requirements of the German Institute for Precision and Electrical Engineering (BGFE) in accordance with DIN EN 100 015, VDE 0100, MBL8
- Two-layer ESD table mat
- Constant conductive resistance due to low ohmic discharge underneath (from 10⁴ Ω)
- ETM_: heat resistant surface, solder iron and hot solder resistant
- EBM_: very good grounding characteristics, wheelchair resistant, short-term temperature resistant

Technical Specifications

Material:Synthetic Rubber

Conductive Resistance:10⁷...10⁸ Ω

Connection:Snap Fastener 2x10,3mm

Dimensions

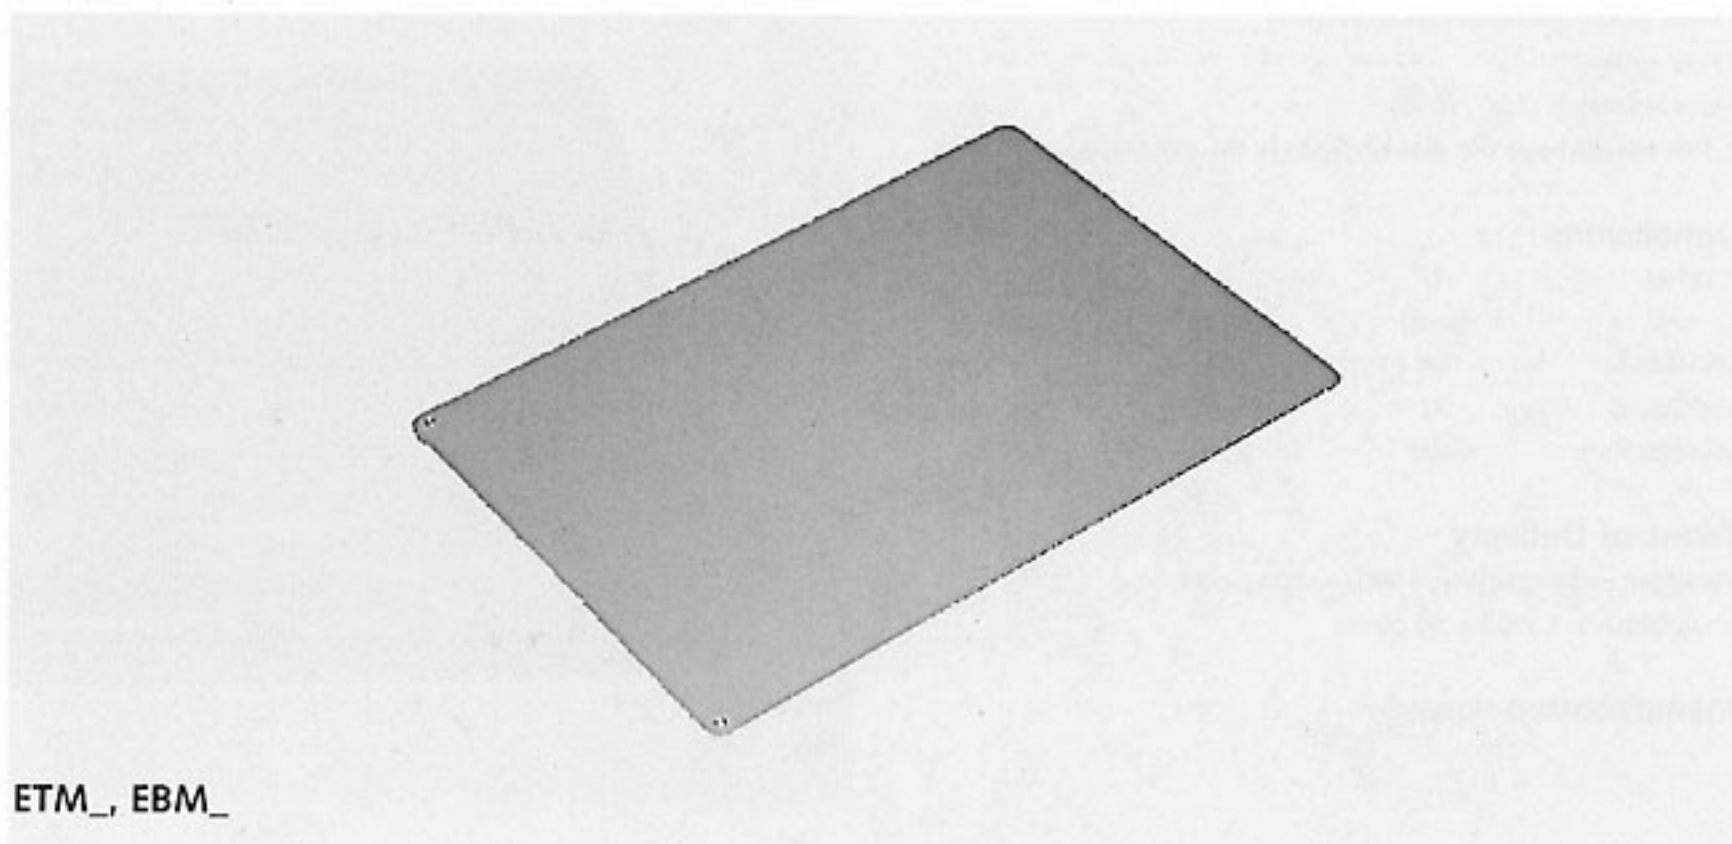

ETM900GR:900x600mm

ETM1200GR:1200x600mm

EBM1512GR:1500x1200x3,5mm

Colour:Platine Grey

Part Nr.	Part Description
ETM900GR	Table Mat 600x900 2xD=10,3 Grey
ETM1200GR	Table Mat 600x1200 2xD=10,3 Grey
EBM1512GR	Floor Mat 1,5x1,2m 2xD=10,3 Grey

ETM_, EBM_

Norms

DIN EN 100 015, VDE 0100, MBL8

Terms of Delivery

Minimum order quantity: 1 PKU = 1 piece
